

# Music in the Movies

By: Michael Borrayo

## Opening Activity:

As a class let's all watch  
this short video of The  
Vienna Philharmonic and  
tap along...

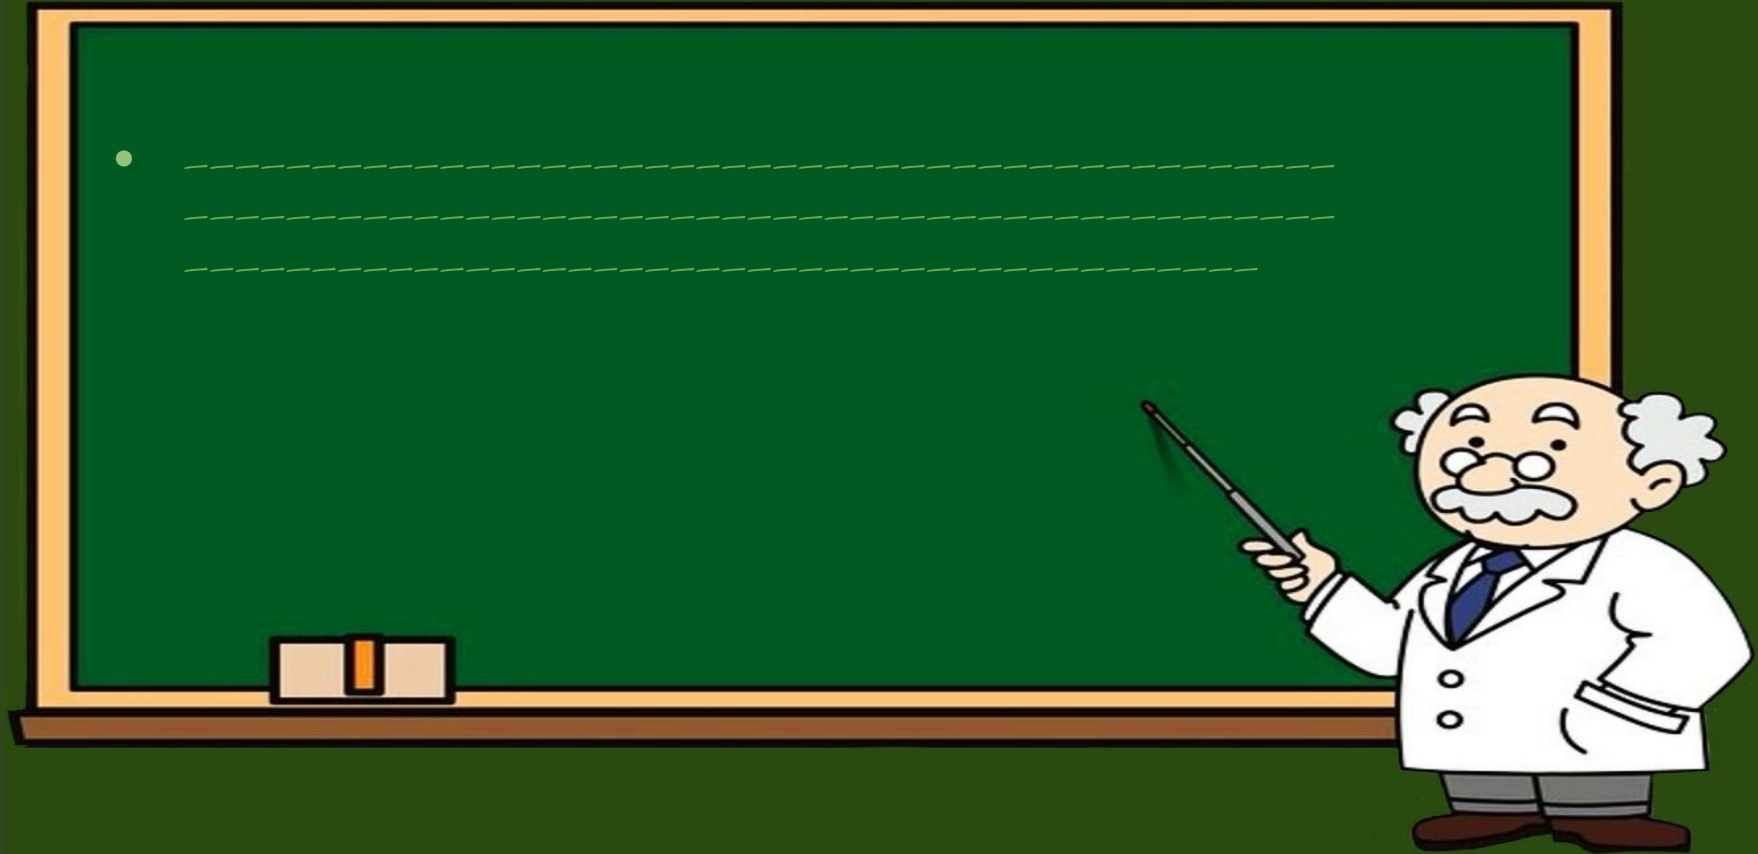

<https://www.youtube.com/watch?v=xhEGMSOiptw>

Now take the  
post it note  
from earlier and  
write down two  
musical moments  
from movies you  
enjoy:

Michaels ex.

- Test Drive from How to Train Your Dragon
- Songchord from Avatar: The Way of Water

Great now when can remind me of why we tapped  
smaller and larger?

# What are dynamics again?

How do we define piano and forte?

-----

-----

Now let's listen to some film music from Harry Potter:

<https://www.youtube.com/watch?v=QrTrmnpTNwY>

<p>Dynamic Map</p> <p>Name: _____</p>	<p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>
<p>1 55</p> <p>_____</p>	<p>2 30</p> <p>_____</p>

Film: Harry Potter

Song/scene Hedding's Theme

Dynamic Key:

Piano:

Fort:

Great! Now that we've  
done a wonderful job  
of actively listening,  
and drawing out the  
map take a second to  
color where your line  
is piano and where it is  
forte

Now take out that little paper from earlier, for homework pick one and you will make a dynamic map for that musical excerpt

*mf*

You can use  
mezzoforte  
this time if you  
would like!
